Sabal Trust Company Launches Redesigned Website

Florida's largest employee-owned trust company offers streamlined experience for clients and visitors

ST. PETERSBURG, Fla. (Sept. 28, 2011) – Sabal Trust Company, Florida's largest employee-owned trust company, announced it has launched a redesigned website, reflecting the firm's strong commitment to the growth and preservation of client wealth.

The website features a robust experience for clients and visitors while streamlining accessibility to the firm's services and information. In addition, the new design showcases original images of unspoiled and enduring landscapes throughout Florida.

"At Sabal Trust, it is our philosophy to provide expertise, stability and responsiveness for the careful growth and preservation of our clients' assets," said William B. McQueen, president of Sabal Trust. "We redesigned our website to reflect this commitment to our current and future clients."

Sabal Trust offers investment management, trust and IRA services and estate settlement expertise throughout its offices in St. Petersburg, Sarasota, Tampa and The Villages.

For more information or to explore the new site, please visit www.sabaltrust.com.
